

bedford^{medical}_{TM} lounging

... new seating solutions for medical lounge and waiting room needs.

1221M-7 Sofa with 1220M Lounge Chair and F-30D Table.

bedford^{medical}™ lounging

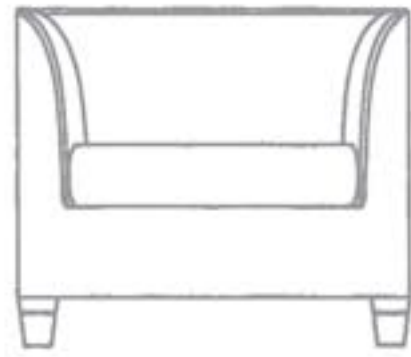

Bedford^{medical}™ Lounging is a fixed-cushion soft-seating collection especially suited to the rigors of healthcare applications, including doctors' and nurses' lounges. The low backs and solid, high arms will accommodate the casual, flexible use and postures typical of staff lounges.

Quality rock "hard" maple frames with double-doweled and glued construction and high-density HR seat cushions assures years of round-the-clock durability.

All product is CA 117 compliant and can be ordered to also meet the special requirements of CA 133.

Options include metal cone feet and an unlimited variety of factory-standard state of the art specialty healthcare and COM textile and vinyl coverings.

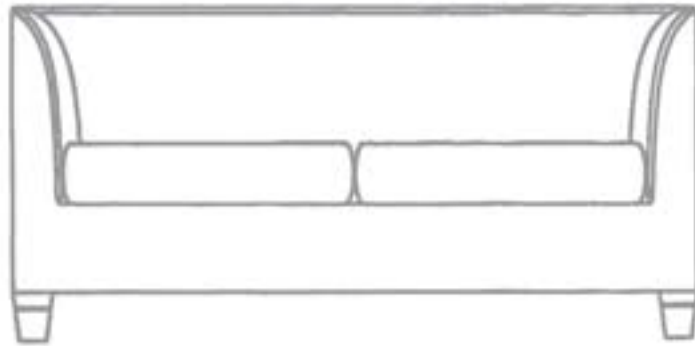

Please refer to the Bedford^{medical}™ Lounging price list for details and specifications.
