

# bridgeport<sup>medical</sup><sub>TM</sub> lounging

... a "traditional" take on medical lobby and waiting room seating.

Specially crafted for traditionally styled medical facilities in standard and expanded seat widths.

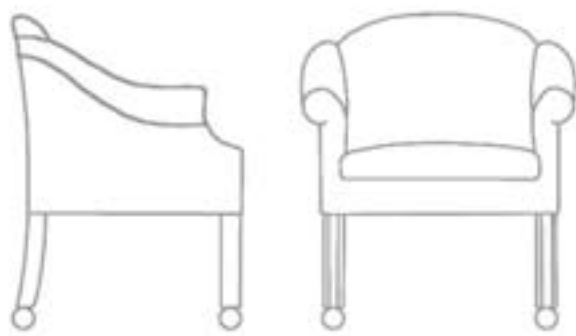

# bridgeport<sup>medical</sup>™ lounging

Bridgeport<sup>medical</sup> Lounging is an ensemble of traditionally-detailed soft seating, tables, and planters for medical lobbies, waiting areas, hallways, and women's lounges. Its sweeping, Lawson styled arm brings both a classic charm and added comfort to the collection.

Special features include a genuine rock "hard" maple frame with double-doweled and glued joinery, and high-density HR foam cushion construction. Bridgeport is CA 117 compliant and can be ordered to meet the special requirements of CA 133. Options include:

- Expanded seat widths for ADA compliance.
- Vinyl contrasting upholstery on armrests and/or seats for extra cleanability.
- Wide variety of factory-standard state of the art healthcare and COM textile and vinyl coverings.
- A large variety of factory-standard and custom-matched wood finishes.
- Open clean-out at the rear of a shortened seat.

Please refer to the Bridgeport<sup>medical</sup> Lounging price list for details and specifications.
