CASECARE +

Combination Storage/Wardrobe Cabinet
Three Adjustable, Two Fixed Shelves on Left,
Hanger Rail Wordrobe Unit on Right w/Shelf.

CaseCare+ cabinets are designed specifically for the healthcare environment. They feature durable E-Z clean thermal-fused exterior and interior laminates in a choice of solid color or wood grained finishes.

The tubular steel legs provide a clear space for cleaning while protecting the furniture. Drawers operate on lifetime guaranteed full suspension, plated metal slides and can be easily wiped clean with a damp cloth.

Options include interior door mirrors, 3" dia. soft tread locking wheels, traditional detailed bases, replaceable tops, fully finished solid backs and a choice of drawer pulls.

Adjustable Swing Door Latches

Removable Full Suspension Drawers
