# EVIE

This great arm/stacking chair brings a fresh new look to quality guest and multiple seating. Evie's solid beech hardwood frame is computer machined for precise joinery. It is light-weight and light-scaled for easy handling. From any angle, Evie's graceful arms, tapered legs

and hardwood framed seat tell the quality story. The foam seat density is medium firm for better handling and wear. Choose from two distinctive wood back options; #710 perforated or #720 ladder style.

710 Arm Chair  
33"H, 22.5"W, 21.5"D

720 Arm Chair  
33"H, 22.5"W, 21.5"D
