LAFAYETTE

Introducing the new Lafayette 590 Series Arm Chair, featuring a classic solid hardwood frame construction and deep cushioned sitting comfort.

This affordably priced seating classic features a double doweled and corner blocked frame and a rubber web spring seat construction.

The CAL 117 approved multi-density foam has a special reflex foam overlay for added tailoring and comfort.

The traditionally detailed hardwood frame is available in eleven standard hardwood finishes, including #18 cherry (shown), #28 mahogany, #33 natural maple and #1 walnut.
