Specially crafted for medical facilities with expanded seat widths for ADA compliance.

Elements of Care

meridian^{medical}™ lounging

Meridian^{medical}™ Lounging is an ensemble of beautifully proportioned soft seating, tables, and planters for medical lobbies, waiting areas, hallways, and women's lounges. Its rolled arm styling accentuated by a button front brings a traditional charm to its otherwise contemporary styling.

Special features include an optional clean-out opening along the rear of the seat, a genuine rock "hard" maple frame with double-doweled and glued joints, and high-density HR foam cushioned construction. All product is CA 117 compliant and can be ordered to also meet the special requirements of CA 133. Other options include:

- Expanded seat widths for ADA compliance.

- Vinyl contrasting upholstery on armrests and/or seats for extra cleanability.
- An unlimited variety of factory-standard specialty healthcare and COM textile and vinyl coverings.
- A large variety of factory-standard and custom-matched wood finishes.

Options include cleanout at the rear of a shortened seat, removable/replaceable upholstery covers, an unlimited variety of factory-standard specialty healthcare and COM textile and vinyl coverings, and metal cone feet.

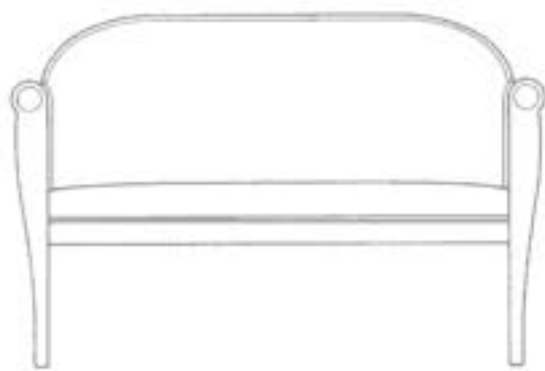

Please refer to the Meridian^{medical}™ Lounging price list for details and specifications.
