

# MORAGA

Refreshingly new...surprisingly affordable!

# MORAGA

Welcome to EOC... a recognized leader in quality contract furniture design and construction for the past forty years. Attention to detail that starts in the forest and progresses through to the guaranteed safe blanket wrapped delivery.

Moraga's quality features include solid hardwood detailed surfaces, drawers and door fronts, wood wrapped tubular steel leg columns, French dovetailed maple grained wooden drawer interiors, lifetime guaranteed full suspension metal drawer slides, polished metal trim and hardware. Go to [www.eoccorp.com](http://www.eoccorp.com) for more information on the complete Moraga modular furniture collection.

### Moraga's Environmental Highlights:

Moraga is manufactured in EOC's California manufacturing facilities under the regulations of our nation's most environmentally active state. It complies with CARB, the State's latest green certification requirement, which includes the reduction and elimination of formaldehyde in solid wood core panels and surfaces. Moraga also incorporates a localized group of green components that form a natural balance, including veneer wrapped recyclable tubular steel legs and hardware along with water based adhesives and finishes.

### Drawer Pull Options:

### Finish and inlay options:

Top Row: Seven standard wood finishes.  
\* Asterisk indicates also available in laminate.

Bottom Row: Premium decorative veneer and stone laminate inlays.

Compact modular desks with twice as much work and storage space.

# MORAGA

EOC's new Moraga Series maximizes surface space and working comfort while minimizing repetitive motion and reach! Innovative low profile hutches easily remove and re-locate while multiplying your storage and filing options. Cantilevered, hardwood detailed work surfaces provide more elbow and knee space.

This quality wooden casegoods collection also lets you choose between fine hardwoods and durable laminates as well as custom surface inlays to fit even the most discriminating budget.

Locking mobile storage pedestals.

Ample surface, storage and leg space with classic hardwood detailing.

Moraga complies with CARB, California's latest green certification requirement, which includes the reduction and elimination of Formaldehyde in solid wood core panels.

72" work station with over 50 sf. of work/shelf space.

Low profile re-locatable storage hutches for desks and credenzas.
