

PERFORMANCE

Performance reception stations feature matching light valances with power grommets, 6" deep interior modesty panel shelves and 42" high counter tops.

The Performance collection is all about choices, including solid hardwood edge details, standard and custom wood finishes, drawer pulls and decorative wood, metal and/or stone surface inlays.

Performance casegoods are shipped assembled nationwide via EOC chartered blanket wrap carriers for safer, quicker and less costly handling and installation.

* Asterisk indicates also available in laminate.

PERFORMANCE

Performance's solid 1 5/8" thick work surfaces are available in a variety of sizes and shapes, including these special angle shaped computer tops with #55 Graphite Talc laminate inlays.

These fine edge detail options form a beautiful hardwood perimeter around a choice of wood or laminate hand grooved and flush fitted inlaid tops.

"A1" MARIDON PULL
Arch shaped easy grip satin chrome plated handle.

"A3" ARCH PULL
round arch shaped pull in silver powder coated finish.
