<b>Roll-Out Shelf</b> For lap top presentations. (Substitute for shelf under sloped work surface.)	-S( )	12	1	22/28	195	255	4	-

## Detailed Trim

Lectern can be specified with a detailed molding trim on the front and side panels, for transitional or traditional applications. Cabinet is finished in a luster sheen.

**Add "M" to the model number and \$270 to the list price of each cabinet.**

## Metal Base Trim

An optional silver laminate finish on the lectern's base riser provides a floating appearance. **Add "T" to model number and \$350 list.**
